Non-profit under Section 501(c)(3)

VOLUNTEERS NEEDED

We desperately need volunteers to assist us in achieving our goals of:

- Obtaining a network of foster homes so that all kittens and adoptable cats can have a second chance as a domestic pet;
- Obtaining funding and manpower so we can help all those individuals needing assistance;
- Ensuring that every kitten and cat is sterilized before finding a new home;
- Ensuring that each colony is trapped in its entirety so that the population growth will be zero;
- Educating people about feral cats and the fact that euthanasia is not an effective means of controlling, or reducing population and why.

...so that we can ultimately:

- Increase the number of homeless cats sterilized by Forgotten Cats from 100 to 500 per month;
- Start a low cost spay/neuter clinic for all feral and stray cats;
- Eliminate unwanted cats.

I am interested in supporting Forgotten Cats, Inc by participating in:

- Fostering kittens and/or cats
- Transporting cats and kittens from our network of foster homes to satellite adoption stores
- Transporting cats and kittens to veterinary appointments
- Assisting with fundraising
- Assisting with a Petfinder.com website design and maintenance
- Assisting with marketing the precious animals in our care

If you are interested in making a lasting difference in the life of a cat/kitten, please contact us immediately for more information or visit our website. **Please complete the information below and email it to info@forgottencats.org or mail to the address listed above.**
