

Volunteer Position Urgently Needed: Foster Coordinator

We have an immediate need for a Foster Coordinator for our Trainer facility.

This is a core volunteer position and requires a time commitment of at least 12-15 hours per week.

The time commitment is big but the rewards are also big, as cats will find homes and not be returned to the streets. Training will be provided.

The foster coordinator works directly with clinic staff to place cats into foster homes. Foster coordinator is responsible for guiding fosters from beginning to end. This includes providing basic foster information, setting pick up time of foster cats, answering questions throughout the fostering process or directing them to medical contact when necessary, ensuring their cats and kittens are up to date on medical treatments, and finally placing their foster cats in an adoption center.

Must have availability in morning & afternoon on Mondays and Thursdays to text/call fosters in order to coordinate pick up of foster cats at our Trainer facility on clinic days.

Can be done from home! A plus if the volunteer can be available throughout the week to meet fosters at the facility.

To learn more about this position, please email us at info@forgottencats.org and include your phone number.

Forgotten Cats, Inc.

Thank you for making a difference in the lives of cats!
